

# Ferrell-Ross Industrial Roller Mills

**1 Hi  
2 Hi  
3 Hi  
Available**

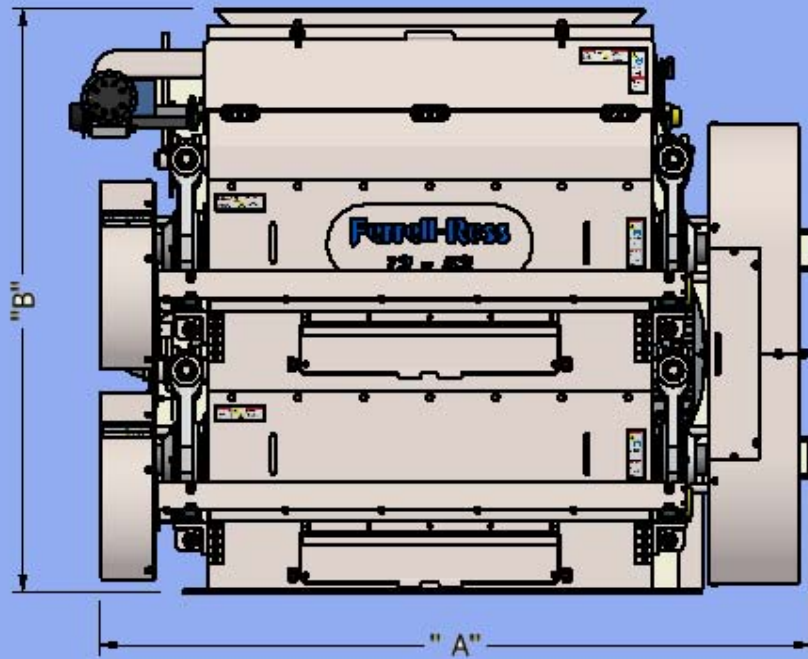

Shown with optional SCR variable speed feeder.

When size reduction requires uniform grind sizes, with minimum generation of fines the Ferrell-Ross Industrial Roller Mill may be the solution. The Ferrell-Ross Single Hi Industrial Mills are ideal when the finished product needs to be of a coarse nature. For a finer particle reduction, the Ferrell-Ross 2 Hi or 3 Hi Industrial Roller Mills are the ideal choice.
